This is an emergency courtesy call from Connect Now Telecom. It is with tremendous regret and sorrow that we have to inform you that we can no longer provide you with your local phone service. Please contact your local payment center as to information of other carriers that can you can convert your services. To avoid Bell South from turning you off because of our inability to come to an amicable agreement with them. We greatly appreciated your business over the years and wish you a very very successful remainder of the year. We are very sorry and apologize. Please have a great day and once again we're very sorry.
